

Park Party at Louise Hays Park on August 8, 2017

Members and guests will meet at Louise Hays Park on Thompson Drive, Kerrville at 7pm. Bring your camera to capture the fun and excitement of tonight's meeting.

We will be featuring a trained dog that will pose and run circles for you. This dog is amazing with the tricks it can perform. Also featured will be a large bubble making demonstration. Soap bubbles so large that can enclose a standing person. The kids water feature will be open which presents some good 'action shot' possibilities.

Bring a flashlight and tripod to try some 'Paint by Light' portraits of people or scenery. It may be dark enough by 8:30pm to get some startling pictures.

Obviously, there will be no 'Show & Tell' this month, but we will change the subject for September to show the pictures taken at tonight's park party. You will be able to enter a total of 4 images – 2 in OPEN category and 2 in SUBJECT category.

We will have bottled water available to keep you hydrated. Bring your own snacks and a folding chair if you want.
